Ds J. H. White of St. Louis died yesterday at the residence of C. H. Woods in the Fourth ward, this city. Dr. White came to U.ah for his health last July and was so well pleased with the country that he concluded to re-main here and practice his profession. About two weeks ago he was taken down with philebitic, which caused his death. The deceased was a highly educated gentleman, forty-eight years of age and his death will be a sad shock to his relatives and friends in his old home. The funeral will take place tomorrow at 10 o'clock from the resi-dence of Mr. Woods, corner Twelfth and M streets. A son of Dr. White, living in Nebraska, has been tele-graphed and is expected to arrive in time for the obsequies.

PURE describes the essential quality of drugs No other drugs have any real value, cnd no other can properly be used in a ompounding medicines. A notable point about all medicines prepared by point about all medicines prepared by us is the fact that only pure drugs are used. This is the reason why physic-ians so often accompany their pre-scription with the direction, "Have this filed at Smoot Drug company's!" The class of drugs we carry amply justifies this confidence of the medical profession. It is upon this ground that we ask your patronage. Once you be slow it, we feel sure of retaining it.
